## FROM THE PASTOR'S DESK

In this weekend's Gospel, Jesus encourages us to remain persistent in prayer. Consistency is key in the spiritual life, and making time to pray every day at the same time is a helpful practice. When we persevere in prayer – even when we do not necessarily feel like praying – that is when we experience growth in our relationship with God.

So far, it has been a pleasure working with Father Tomás and Father Joseph, the new priests assigned to Saint Peter Saint Joan of Arc. If you have not had the opportunity, hopefully you will be able to meet them in the near future. We are on a rotation when it comes to the Masses we celebrate each weekend. That means if you go to the same Mass every Sunday, you will typically see each priest once every three weeks.

Lastly, there is still time to sign up for Family Catechesis. This is our faith formation program for the children of our community. It is for all our young parishioners who are not attending a Catholic school, age three to grade eight. If you have children in that age range, please sign up soon. And if you have friends or family members with children, encourage them to sign up as well. We happily anticipate over 1,000 children participating in Family Catechesis during the 2025-2026 school year!

Parishioners are able to donate as they exit the church after Mass. You can also donate to the poor on our parish website. Thank you for your generosity in serving the needy in our community!

## THE PARISH OFFICE AT BOTH CAMPUSES WILL BE CLOSED ON FRIDAY, AUGUST 1.

*Thank you for your generosity!*

Earlier this month, we had our Missionary Appeal at Saint Peter Saint Joan of Arc. We collected \$21,000 for the Diocese of Punalur, Kerala. Please offer a prayer for Bishop Selvester and for Father Absalom as they continue their ministry in India. They are truly grateful for our parish's support of the foreign missions.

*Natural Family Planning...supporting God's gifts of love and life in marriage*

# What Does it Mean to Pursue a Lasting Love?

**A**s men and women caught in the responsibilities of daily life, it's easy to lose sight of the fact that we are destined for eternity. The thought that God's love *endures forever* is something difficult for our time-bound selves to comprehend. It's a lofty claim that can be easy to leave on the shelf as an "ideal"—rather than a truth we intentionally integrate into our marriage, here and now.

Because of the consequences of original sin, we do not come into this world knowing how to love as God loves. Instead, we receive and experience God's love for us throughout our lives, even as we learn to model that love in how we treat others. As Pope Francis says:

When a person discovers God, the true treasure, he abandons a selfish lifestyle and seeks to share with others the charity which comes from God. He who becomes a friend of God, loves his brothers and sisters, commits himself to safeguarding their life and their health....  
 (Pope Francis, Homily, 2014)\*

## Learning from the Trinity

A key way we can learn more about God's love is by examining the Trinitarian relationship between God the Father, the Son, and the Holy Spirit. The Trinity is three distinct persons united in one Godhead. The inner life of the Trinity is interpersonal, self-giving, and communicative.

As Christians, we are challenged to have faith that is "the confidence of what we hope for and the assurance of what we do not see" (Heb. 11:1). The first step in pursuing a lasting love, with the Trinity as our example,

is the belief that a lasting love is possible—that we truly can and do daily participate in a divine reality that is beyond what can be seen on the surface.

## Love is Free, Total, faithful, and Fruitful!

Church teaching maintains that married love must be free, total, faithful, and fruitful. This is exactly how the Trinity loves!

In the Trinity, love is freely given between the three persons. The persons of the Trinity willingly place themselves at the service of their communion. There is no coercion or ulterior motive.

## The total gift of each person to the other allows for the one-ness of the Trinitarian relationship.

Secondly, the persons of the Trinity give themselves totally to one another. Though each person of the Trinity retains their unique personhood, they hold nothing back from the participation in Trinitarian love. The total gift of each person to the other allows for the one-ness of the Trinitarian relationship.

Third, Trinitarian love is faithful. The steadfastness of the Trinity is an indispensable part of a love which endures for all eternity. And finally, love is fruitful. The love of the Trinity is life-giving. All of creation, all of mankind, all goodness, all beauty results and flows from the love of the Trinitarian relationship.

## The Human Person as Gift

It is only from the foundational understanding of love that we can come to know what a person is. The human person is made by love and for love. St. John Paul II phrases it beautifully in what is known as his personalistic norm. He states that human beings are subjects and not objects. Objects are meant to be used. Subjects are meant to be received as a gift. When we see our spouse and our children as gifts, the way that we relate to them shows just how much we value them.

Our families are especially called to be an icon of Trinity—where our hearts are stretched by loving one another and we are prepared to participate in eternal love. Then, spouses are called in a unique and intimate way to enter into a lasting love through the reception of one another as a gift in the sexual embrace. Spouses are called to open their hearts to God in marital intimacy such that each marital act be oriented towards the openness to life and the good of one another.

## Natural Family Planning, an Expression of Love

With this end in mind, it is also important to note that there are times when, for serious reasons, it may not be prudent for a couple to have a child. In keeping with the vision of a lasting love that is free, total, faithful, and fruitful, the Church proposes Natural Family Planning (NFP) as a practical and morally permissible method for married couples to avoid or achieve pregnancy.

According to the United States Conference of Catholic Bishops, practicing NFP allows spouses to be responsible parents and at the same time “respect God’s design for life and love.” NFP is based on the natural times of fertility and infertility experienced throughout the course of a woman’s menstrual cycle. In seasons where it may be imprudent for a couple to have a child due to psychological, financial, physical, or other serious reasons, the couple abstains from intercourse during the woman’s fertile time. At the same time, NFP can also be used to achieve pregnancy.

NFP is not contraception because it does nothing to alter or block the body’s natural rhythms of fertility. Instead, NFP relies on scientifically proven methods of tracking a woman’s menstrual cycle so that a couple can make an informed decision guided by faith and reason.

NFP depends on the couples’ free choice to abstain or engage in intercourse based on the good of the spouses and the good of the family as a whole.

When spouses engage their free will to communicate in this way, they are choosing to see each other and future children as gifts and saying yes to a love that is free, total, faithful, and fruitful—answering the call to be an image of lasting Trinitarian love.

## Become a Super Neighbor: Make a Difference in the Lives of Seniors

In John 10, through the story of the Good Samaritan, we are reminded that everyone is our neighbor. With that in mind, we invite you to become a **SUPER NEIGHBOR** at St. Peter St. Joan of Arc Parish!

Aging is a beautiful part of life, but it also brings unique challenges. For many seniors, the struggle is amplified by poverty, disability, and isolation. From difficulty getting to the grocery store or medical appointments, to the burden of expensive medical bills on a fixed income, many older adults are finding it increasingly hard to navigate these challenges. Add to that the ongoing effects of the pandemic and rising inflation, and life's basic necessities, such as food, are becoming even more difficult to afford.

Many seniors, however, still wish to remain independent in their homes and communities as they age. But for this to be possible, they need support. That's where **YOU** can make a profound difference.

Join Our **St. Peter St. Joan of Arc Parish Super Neighbor Program** in partnership with **Catholic Social Services!**

We're looking for compassionate volunteers to help foster a sense of community and connection with homebound seniors through the Super Neighbor program. Volunteers aged 55+ (or anyone 25+ with a passion for service) can make an incredible impact on the lives of those who need it most.

#### **How Can You Help?**

- Be a companion to a senior parishioner, providing them with social interaction and support
- Assist with errands, grocery shopping, and transportation to medical appointments
- Offer emotional support, reducing feelings of isolation
- Be a friendly, reliable presence in a senior's life

#### **What We're Looking For:**

- A minimum commitment of 1 - 5 hours per week
- Reliable transportation
- A compassionate, friendly nature
- A desire to build meaningful relationships

#### **What You Will receive:**

- Training on how to become a Super Neighbor
- Guidance and mentoring
- Catholic Social Services will provide the model and resources

#### **Why Volunteer?**

- Make a real difference by helping seniors stay connected and independent
- Build relationships with individuals in your community who can truly benefit from your time and care
- Feel the joy of giving and making a positive impact on others' lives

Through the St. Joan of Arc parish and Catholic Social Services, our parishes homebound seniors can feel more connected and less isolated, while **YOU**, as a Super Neighbor, can make a lasting difference in their lives.

**Get Involved Today!** If you're ready to become a Super Neighbor, please contact us at the Parish Office for details on how to sign up. Together, we can help seniors live with dignity, joy, and connection.
