## FROM THE PASTOR'S DESK

This weekend, our nation remembers Dr. Martin Luther King, Jr. He is one of the most significant figures in U.S. history and an incredible example of how our Christian faith can transform society for the better. I admire Dr. King's intelligence, fearlessness, and the powerful way he used words to shed light on injustice. In each generation, we strive to make his dream of racial equality a reality, not allowing his life and death to be in vain.

Along those same lines, we continue the fight for the most vulnerable among us, namely, the unborn. In his recent "State of the World" speech, Pope Leo XIV emphasized this important work in the life of the Church: "The primary objective must remain the protection of every unborn child and the effective and concrete support of every woman so that she is able to welcome life." On January 22, the unhappy anniversary of *Roe v. Wade*, Catholics in the United States are encouraged to pray and fast for the legal protection of the unborn. By God's grace, our humble Pro-Life efforts will change hearts and purify the culture in which we live.

Father David Schalk
