FROM THE SEMINARIAN'S DESK

Life at the biggest and busiest parish in the diocese does not calm down, even for the summer. It is for this reason that Jesus' words in the Gospel this weekend are so powerful: "My yoke is easy and my burden is light." For the longest time, I tended to think that this was an easy yoke and light burden that Christ placed upon us. A few weeks ago, this verse came up in my prayer as a response to how burdensome the tasks and challenges of everyday life, of finding one's vocation, and of striving for holiness can be.

As the sun rises above the Original Thirteen today, our nation enters a new era – beginning its second quarter millennium. For our country, we face the prospects of inflation, war, and division. These concerns tempt us to feelings of being overwhelmed. Jesus promises to be with us through these concerns. Jesus offers to bear the yoke and lighten our burden; all we have to do is accept that help. At every Mass as the gifts are prepared at the altar, a simple way to accept this help is by offering what burdens us upon the altar together with the gifts of our joys.

Seminarian Chris Dixon

BELIZE INTERNATIONAL MISSION TRIP

TESTIMONY: WITNESSING GOD AT WORK

Our mission trip to Belize last may meant so much to me! Not only did I grow in my faith, but I saw God is such a profound way. I went in knowing that I would be serving others and doing a construction project, but I ended up learning so much from the people and children that I had the opportunity to interact with. One of the biggest things this trip showed me was the importance of having a child-like dependency on God. I can't even explain how much joy, love, and trust the kids had for not only God, but also for me as a volunteer and a leader. It was such a beautiful reminder that our faith does not have to be complicated. Our Father wants us to trust Him and come to Him always with open-arms, just like the kids did to me. The power of love and service was so evident on our mission trip. I loved playing games with the kids, giving hugs, sharing a smile, and working on the construction project that we did on their school. Going to Belize really did remind me that true joy comes from our Father and not from what we have, and it has inspired me to live more simply, be more grateful, be more loving, and be more dependent on The One Who Loves Us The Most. This trip to Belize was so fruitful and I encourage each of you to go on a mission trip in the future!

PRAYER TO THE SACRED HEART OF JESUS

ON THE OCCASION OF THE U.S. BISHOPS CONSECRATING THE UNITED STATES OF AMERICA TO THE SACRED HEART OF JESUS

O Most Sacred Heart of Jesus:

You know the longings of our hearts, and you desire that we
enjoy friendship with you.

From your pierced side, you have poured out the wellspring of
life, for which we thirst.

Your heart burns with a love for all people to return to a right
relationship with you.

We celebrate the abundant gifts you have given this nation,
founded on the self-evident truths

that our Creator has endowed all people

with the right to life, liberty, and the pursuit of happiness.

We make reparation for the offenses against you and against
human dignity that have taken place in this nation.

May our hearts be united to yours, so that our families and
communities enjoy peace and happiness;

may broken relationships be reconciled, injustices repaired, and
the wounds of our land be healed.

May your holy Catholic Church serve as a sign, pointing all
people to your infinite love.

O Desire of Nations and Center of History, we ask you to bless
these United States of America.

Who live and reign with God the Father

in the unity of the Holy Spirit,

God, for ever and ever.

Amen.
