FROM THE PASTOR'S DESK

In today's Gospel, we hearJesus say, "Well done, good and faithful servant." Those are the words we long to hear at the end of our time on earth. The key is to remain faithful in our service to God in every season of life. Let us never waver in our commitment to living as humble and grateful servants of the Lord.

Speaking of gratitude, let me thank everyone for being so gracious during the sanctuary enhancement at Saint Joan of Arc. This project is causing more than a little bit of inconvenience, but our community has shown much patience and flexibility thus far. We continue to ask God for a safe and successful completion to this endeavor.

One more note of thanks: I appreciate all our parishioners who are participating in the Annual Offertory Renewal. Please pray about your financial support of the parish in 2027, then make a commitment by filling out a renewal card. This exercise is helpful for all of us, so that we can practice intentional stewardship and plan our budgets for next year.

Saint Joan Of Arc Sanctuary Enhancement

BY FATHER JOSEPH ROLWING

Is there any real difference between a Church building and an office building? Most people in the modern world don't think so. Both are simply buildings made of stone, wood, and brick. One is used for business, the other is used for prayer. But ultimately (so the story goes), all of it is basically the same "stuff."

For Christians, however, there's more to the story. We believe, in fact, that there is a real difference between a Church and an office. Even though both are made out of similar materials, a Church is a *sacred space*—a space set apart for the worship of God. In a very real way, God is *present* in the Church in a way that he is not present in an office building. When we enter into a Church, we are entering into God's dwelling place. It is a physical space where the Almighty God can be encountered.

Of course, we know that God is present everywhere in his creation—he is the creator and sustainer of all things. Consequently, it is true to say that he can be encountered in all places. You can pray in your office building and you can pray outside while you walk your dog.

And yet, because God created us as creatures with *bodies*—creatures who exist in space and time—physical space matters. There are certain spaces that are more conducive to prayer than others. There are places where God has chosen to dwell physically. This was true of the Temple in Jerusalem in the Old Testament, and it is likewise true of every single Catholic Church. For, there, in the tabernacle, in the center of every Church, we find the One whom the angels and saints adore.

Artistic rendering of an altar similar to the new altar at St. Joan

Church architecture should, therefore, help reflect this reality. A Church should look different than the other buildings we walk into. To be "holy" literally means to be "set apart" from the rest of the world, and a church ought to be the holiest of all places.

We are blessed at Saint Peter Saint Joan of Arc with two beautiful churches—sacred spaces where we can *go* to encounter the living God. And thanks to the generosity of our parishioners, we will soon have the chance to make our Saint Joan of Arc campus even more capable of helping us encounter the One who is "Emmanuel" — God with us.

> *For, there, in the tabernacle, in the center of every Church, we find the One whom the angels and saints adore.*

2026 PARISH FESTIVAL FINANCIAL RESULTS

We are delighted to share the financial results from our **2026 Parish Festival**, a joyful celebration of faith, fellowship, and generosity held this past August. Thanks to the unwavering support of our parish family, sponsors, guests, and the extraordinary dedication of our volunteers, we are blessed to report a **net profit of $56,614.80**.

This achievement is more than a financial success. It is a reflection of our shared commitment to stewardship, community, and service. As part of our parish mission to extend Christ's love to those in need, we are honored to donate **$5,680.00** to each of two important local organizations:

- **Help My Neighbor**, which provides emergency assistance and support to individuals and families facing hardship.
- **People in Need**, which serves our local community through food assistance, shelter, and other essential resources.

These gifts will help bring hope, relief, and support to our neighbors in need, and we thank everyone who helped make this possible.

A SPECIAL THANK-YOU TO OUR FESTIVAL FAMILY

We extend our heartfelt gratitude to:

- The many **volunteers** who generously shared their time, talents, and joyful spirit in every aspect of the festival, from setup and operations to cleanup and hospitality.
- Our dedicated **Parish Staff**, whose behind-the-scenes efforts helped ensure a smooth and successful event.
- The committed **Festival Committee**, whose leadership, planning, and perseverance brought this celebration to life.

Your dedication was the heartbeat of the festival. Through your service, you welcomed guests, created lasting memories, and strengthened the spirit of community that makes our parish so special.

As we celebrate this year's success, let us continue to build upon the spirit of faith, unity, and generosity that made it possible. May God abundantly bless all who contributed to the festival and continue to guide our parish in love and service.

MORE SMART GIVING AND GREAT IMPACT IDEAS

Thoughtful charitable planning can benefit both your family and the ministries you cherish. Consider these smart giving strategies as part of your year-end and long-term stewardship planning.

1. Use Appreciated Assets for Your Charitable Gifts

- Instead of donating cash to the parish or other charity, donate appreciated assets such as publicly traded stock
- The parishioner receives a tax deduction for the fair value of the appreciated asset contributed
- The parishioner completely avoids the recognition of capital gain
- The parish sells the appreciated asset and receives the full value in cash and has no recognition of gain for tax purposes

2. Combine the Donation of Appreciated Assets with the "Bunching" of Eligible Tax Deductions

- The "bunching" of deductions is the combining of multiple years of charitable giving into one tax year
- The objective of the "bunching" is to have total eligible deductions exceed the standard deduction (for 2026, $16,100 for a single taxpayer and $32,200 for a married taxpayer filing jointly)
- In the year "bunching" occurs, the parishioner itemizes deductions, and in one or more future years the parishioner would use the standard deduction
- Itemized deductions include not only charitable gifts but also state and local taxes (subject to specified limits), certain medical expenses, and certain interest expenses

3. Connect Bunching and the Donation of Appreciated Property With a Donor Advised Fund (DAF)

- A DAF is a charitable giving account to which a parishioner can contribute appreciated assets and recommend to the DAF sponsor to make grants to qualified charities which would include the parish
- A gift of appreciated assets can be made to the DAF in the year the parishioner chooses to "bunch" deductions
- The parishioner can then request the sponsor of the DAF to distribute grants, in such amounts requested by the parishioner, to the parish and other qualified charities over several months or years
- The DAF can serve a variety of other planning purposes of a parishioner
- Although there are a variety of qualified sponsors for a DAF, the parish has a special relationship with The Catholic Foundation, The Stewardship Office of the parish can assist in connecting parishioners with The Catholic Foundation.
